

MANAGEMENT ACCOUNTING

*Students May Enroll To Take This Program Online Or Residentially*

The objective of this program is to prepare graduates for entry-level employment by providing students with a thorough understanding of standard accounting practices and general business fundamentals. The program promotes competency in communications, social sciences, natural sciences/mathematics and humanities.

The goal of this program is to prepare graduates who are able to:

1. Record business transactions according to Generally Accepted Accounting Principles (GAAP)
2. Prepare and analyze financial statements
3. Calculate and maintain payroll records
4. Use accounting software to maintain accounting records and prepare financial statements
5. Demonstrate appropriate written and verbal communication skills
6. Evaluate the quality of multiple viewpoints, arguments, and evidence and distinguish between fact and opinion
7. Exhibit social responsibility and examine the diverse cultures and value systems of our global community
