Course recommendations based on this sequence will be made each quarter by the academic staff. There is a probability that a student who has transfer credits, takes a quarter(s) off, does not successfully complete classes, or chooses not to follow the recommended sequence will be required to take classes at another campus or on line. The length of this program may be extended one or more quarters for students who are required to take foundations classes. Foundations classes must be taken in the first quarter (or two when multiple classes are required). Refer to the current school catalog for additional requirements and policies.
