

The objective of the Bachelor of Science in Business Management degree program is to provide in-depth training for individuals seeking entry- and mid-level employment in the field of business, introducing students to the process of management, including planning, organizing, directing and controlling functions of running a business. The program prepares graduates to pursue career opportunities in emphasis areas and provide leadership in their areas of expertise.

The goal of this program is to prepare graduates who are able to:

1. Explain basic business concepts
2. Write and present a marketing plan
3. Demonstrate management skills in hiring, supervising, and retaining employees
4. Compare and contrast management and leadership skills
5. Employ the role of self promotion and networking skills in the entertainment industry
6. Create a SWOT (Strengths, Weaknesses, Opportunities and Threats) analysis
7. Develop strategies to make ethical decisions in business
8. Demonstrate appropriate written and verbal communication skills
9. Evaluate the quality of multiple viewpoints, arguments, and evidence and distinguish between fact and opinion
10. Exhibit social responsibility and examine the diverse cultures and value systems of our global community
